**Reaching out to Non-profit Event Planners:  
Artwork Network to Host Blacktie's Seminar**

(Denver) Artwork Network Gallery & Event Center is set to host Blacktie's Non-profit Seminar on September 28<sup>th</sup>, 2011. Blacktie ([www.blacktie-colorado.com](http://www.blacktie-colorado.com)) is a tool for non-profit organizations to track online registrations, donations, auctions, seating charts, nametags, financials per event, and more. Specifically targeted towards event planners, the hour-long seminar will begin with networking over a light breakfast provided by Gourmet Fine Catering and Chocolate Labs of Denver. A short demonstration of the Blacktie system will be followed by a presentation from iZigg 90210, with information on how texting can increase an organization's fundraising/awareness effort. The event concludes with a venue tour of the Artwork Network gallery.

The Blacktie Seminar is free to attend, and the first 25 non-profit representatives to RSVP will be entered into a drawing to win one FREE online registration with Blacktie. Click here ([www.blacktie-colorado.com/calendar/event-detail.cfm?id=22508](http://www.blacktie-colorado.com/calendar/event-detail.cfm?id=22508)) for more information or to RSVP to the event.

The event is sponsored by Artwork Network, Gourmet Fine Catering, Chocolate Labs of Denver, and Event Rents.

Whether you are looking to host a small event or a large gala, Artwork Network Gallery & Event Center ([www.artworknetwork.com](http://www.artworknetwork.com)) can accommodate all of your venue needs. The beautiful, spacious facility is the perfect departure from the traditional hotel conference room, and can hold anywhere from 10-400 guests. Enjoy high, vintage white tin ceilings, natural light, hardwood floors and exposed brick walls. And with hundreds of beautiful works of art rotating through the gallery, no two events will be the same!
